

Application for a travel fellowship to the
BioSapiens-viRgil Workshop on Bioinformatics for Viral Infections

To be eligible you have to be coauthor on a poster or oral presentation accepted at the workshop. Furthermore you have to be at most three years after your graduation (at most first Ph.D.). At most one travel fellowship is given out per poster.

Travel fellowships will be given out in cash at the conference upon presentation of adequate documents about travel cost.

Maximum amounts for travel fellowships are:

Germany, Benelux: € 300

Other Europe: € 500

Other: € 700
